

GOERING QUOTE

"Why of course the people don't want war...But after all, it is the leaders of the country who determine the policy, and it is always a simple matter to drag the people, along whether it is a democracy, or a fascist dictatorship, or a parliament, or a communist dictatorship. ...Voice or no voice, the people can always be brought to the bidding of the leaders. That is easy. All you have to do is to tell them they are being attacked, and denounce the pacifists for lack of patriotism and exposing the country to danger." -

The above quote illustrates the dangers when a few entities can control what the public hears and reads.

The license for broadcasters must be watched very closely, LEST OUR AIRWAVES BE TAKEN OVER BY A VERY FEW.

I STRONGLY OBJECT TO THE SINCLAIR
BROADCASTING FORCING ITS AFFILIATE
STATIONS INTO ONE NARROW POINT OF VIEW.
PLEASE DO NOT RENEW THEIR LICENSE

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
